Design/Décor

The overall aesthetic is rich and neutral using warm grays, dazzling red accents, shimmering metals, smooth glass and oxidized bronze. The stylish design of the meeting rooms mirrors the earthy palette found in the guest rooms, elevator lobbies and corridors.

Weddings

Hotel Palomar Atlanta provides elegant accommodations for wedding parties and guests. The High Ballroom creates a perfect setting for an elegant and stylish Atlanta wedding. Hotel Palomar hosts only one wedding at a time, ensuring the bride and groom receive focused attention and service.

The High Ballroom

The High Ballroom carries the name of The High Museum of Art, the premier art museum in the Southeast, located a few blocks north of Hotel Palomar Atlanta. The 4,445-square-foot High Ballroom, located on the lobby level, features natural light, offers access to more than 2,000 square feet of pre-function space and accommodates as many as 500 for a reception. Retractable lighting fixtures with drop-down multi-use outlets from the ceiling allow for power and data lines and a variety of lighting and projector screen set-ups.

The Woodruff Boardroom

The 455-square-foot Woodruff Boardroom, which seats up to 12, is named for the Woodruff Arts Center, the center of Atlanta's arts community and home to the Alliance Theatre, High Museum of Art, Young Audiences, 14th Street Playhouse and the Atlanta Symphony Orchestra. The Woodruff Boardroom features teleconferencing capabilities and a drop-down projector screen. A special wall covering allows items to be displayed without need for tape or wall tacks.

Meeting Rooms

The Rialto Room and **The Chastain Room** each offers more than 1,300 square feet of flexible meeting room space, which can seat up to 110 for banquet-style functions, or accommodate groups of up to 44 for conferences. These fifth-floor meeting rooms can be easily divided into two equal spaces for smaller events.

The Rialto Room honors The Rialto Center for the Arts at Georgia State University in downtown Atlanta, just two miles from Hotel Palomar.

Chastain Room is named after Chastain Park Amphitheatre, the outdoor home of the Atlanta Symphony Orchestra and arguably Atlanta's favorite outdoor concert venue.

Fox Room carries the name of the beloved Fox Theatre, a National Historic Landmark that has been an integral part of the city since 1929. The 500-square-foot Fox Room can accommodate 16 guests for a conference, 40 for a banquet or up to 55 for a reception.

Alliance Room honors Atlanta's nationally acclaimed Alliance Theatre, recipient of the 2007 Regional Theatre Tony Award. The 570-square-foot Alliance Room can accommodate 20 guests for a conference, 50 for a banquet or up to 65 for a reception. Located at street level, Alliance Room features floor-to-ceiling windows and has a terrace area off West Peachtree Street that can be used for breaks or additional function space.
